King George's Medical University

KGMU College of Nursing

Glimpse of Institution:

King George's Medical University is situated in the heart of the historic city of Lucknow which is the capital of India's most populous state Uttar Pradesh.

Lucknow lies about 500 km east of Delhi. The city was the seat of the Nawabs of Awadh in the 19th century and a centre for the arts - music, painting, dance, 'shatranj' or chess, kite flying and 'tehzeeb' or culture.

The College of Nursing has been established with a goal to become a benchmark in the field of Nursing Education and Research in India in the year 2015 and still counting. Various courses like B.Sc. Nursing, M.Sc. Nursing, G.N.M and Certificate in Community Health for Nurses are running in our institution.

Theme of conference:

The year 2020 has been declared by the World Health Organization as the “Year of the Nurse and Midwives”. In this regard, WHO and ICN (International Council of Nurses) run a global campaign “Nursing Now” to improve the status and profile of nursing professional across globe. Leadership is one of the five core areas this campaign features to achieve this goal. It emphasizes on recruiting of more nurses on leadership positions. The nurses in India plays a major role in the viability of health care system. Leaders in nursing would be the major stake holders in decision making of health care policies related to nursing sectors of clinical, teaching and public health forum. It is extremely important to inculcate the qualities of leaders among budding nurses who will advocate for the rights and quality of health care in future. The present conference focusses on imparting knowledge and enthusiasm among nurses to pursue the leadership positions to improve and sustain the quality standards of nursing care in our country.

This Conference themed as “***Nurses in Health Care Leadership***” and focus on ten different facets of leadership skills and will invite experts in the field of leadership. The Conference is approved by U.P. State Nursing Council for ... credit hours.

Learning Objectives:

- To learn the basic leadership skills for quality improvement
- To understand and explore the opportunities to ascend the professional status in our country
- To help the fellow nurses to fight for rights of self and patients
- To generate the possibilities of expanding professional standards

Theme

"Nurses in Health Care Leadership"
