As we are aware that a recruitment examination is being conducted for **Nursing Officers** on **26th November 2023 from 11:00 am to 01:00 pm**. All faculty members nominated as **Observers for the Examination** are requested to take up this responsibility with utmost responsibility and dedication. This exam is very important to recruit quality nursing officers, which in turn is vital for high standards of clinical care by the University. The examination is of a highly sensitive nature, and for the reputation of KGMU, it is necessary that the examination is conducted seamlessly, for which the cooperation and dedicated involvement of deputed observers is **VITAL**.

Hence, all faculty members deputed as observers are requested to extend full cooperation and diligently perform the duties assigned to them. Further, no leaves will be allowed during this period, except pre-approved conference leaves & genuine emergency problems.

In view of above, a meeting with all **DEPUTED OBSERVERS for the examination** is scheduled to be held on **21st November 2023 @ 02:30 pm** in **Kalam Center (Room-223)**, KGMU to apprise the process of examination and the duties of observers.

I am confident that with the involvement of KGMU faculty, we will uphold the standards of excellence for which our Institution is known for.

I would like to thank all the faculty members in anticipation for their understanding and commitment to this important endeavour.
