- Dr. Manu Rathee
- Dr. Neeta Pasricha
- Dr. Shitij Srivastava
- Dr. Swati Gupta
- Dr. Leena Tomar
- Dr. Mariyam Ali
- Dr. Devendra Chopra
- Dr. Roma Goswami
- Dr. Arvind Kumar Singh
- Dr. Anshul Trivedi
- Dr. Vishwa Deepak Singh
- Dr. Rekha Gupta
- Dr. Atul Bhatnagar
- Dr. Samarth Agrawal
- Dr. Deepesh Kumar Gupta
- Dr. Shalabh Kumar
- Dr. Geeta Rajput
- Dr. Shaista Afroz
- Dr. Pankaj Kharade
- Dr. Bishnupati Singh
- Dr. Varun Kumar
- Dr. Bhupinder Yadav
- Dr. Abhishek Sharma

### Workshop Co-ordination Committee

- Dr. Neeti Solanki
- Dr. Mohan Mahajan
- Dr. Rohit Bhandari
- Dr. Pranjali Dutt
- Dr. Akanksha Gautam
- Dr. Ayushi Tandon

## SHORT INTRODUCTION OF THE SPEAKERS

Dr. Theeratnavaj Srithavaj completed his DDS from New York University in 1994. He completed his postgraduate certificate in Prosthodontics from New York University in 1997, which, was followed by fellowship training in Maxillofacial Prosthetics at Memorial Sloan-Kettering Cancer Center, New York. He is Diplomate Thai Board of prosthodontics and currently working at Mahidol University as an Associate Professor and academic program director of Maxillofacial Prosthetic. He was elected president of Asian Academy of Prosthodontics in 2014. Dr. Srithavaj have published over 50 International and national articles and have been actively presenting at various international conferences as keynote speaker.

Dr. Natdhanai Chotprasert did his DDS from Khonkaen University, Thailand in 1998 and obtained certificate in Prosthodontics in 2002. He completed his Master's in Maxillofacial Prosthetics in 2007, Certificate in Implant Dentistry, UCLA in 2009, and PhD (Oral biology) in 2015. Dr. Chotprasert, is Diplomate Thai board of Prosthodontics and is working as an Assistant Professor and also is the clinical director of Maxillofacial Prosthetics Service. He has published numerous International and national articles and have been invited as guest speaker and workshop facilitator in various national and international conferences.

Dr. Binit Shrestha completed his BDS from Manipal College of Dentistry, India in 2006. Following which he obtained his MSc in Maxillofacial Prosthetics in 2011 and PhD in Material Science in 2020 from Mahidol University, Thailand. Currently, he is working as a lecturer at the Maxillofacial Prosthetic Unit, Faculty of Dentistry, Mahidol University. He is also a part-time commissioner at the National Cheng Kung University, Taiwan Overseas Hub in Thailand, and helps organize various onsite and online conferences. He has published over 30 scientific articles nationally and internationally.

Dr. Cheewin Towithelertkul having deep ambition in maxillofacial rehabilitation chose maxillofacial prosthetics as his expertise. After his D.D.S., he worked at a maxillofacial prosthetics service, at Mahidol University before pursued PhD in Japan and was granted the Monbukagakusho (MEXT) Scholarship under the Japanese government. Dr Cheewin is recognized as a young maxillofacial educator; he collaborates with many cancer hospitals in Thailand, challenges treating oncologic patients, as well as, creates new novelty to feedback in clinical practice.
