Message from the Organizing Chairman and Secretary

Dear friends,

We are glad to invite you to the Annual Thalassemia Update 2019, organized by Cytogenetics Lab, Department of CFAR, Pediatrics, Pathology, Clinical Hematology, Obstetrics & Gynaecology and Transfusion Medicine, King George's Medical University, Lucknow and Thalassemics India Society Lucknow on 21st September, 2019. The aim of conference is to update all the doctors and patients and their family members to the basic and new approaches for the treatment and management of thalassemia. As thalassemia is a genetic disorder and prenatal diagnosis on time will play a major role in the effort to eradicate this disease from India.

We invite you to join this event and look forward for your active participation.
