Subject: Memorandum of Understanding (MoU) between King George's Medical University, Lucknow and Dr. Shakuntala Mishra National Rehabilitation University, Lucknow

Dear Professor Nishith Rai,

Greetings from King George's Medical University.

I am delighted to know that Dr. Shakuntala Mishra National Rehabilitation University, Lucknow will commence the new degree courses as Bachelors in Prosthetic & Orthotic (BPO), Bachelor in Audio, Speech Language & Pathology (BASLP), Physiotherapy, Occupational Therapy etc in academic session 2015-16.

A MoU between King George's Medical University, Lucknow and Dr. Shakuntala Mishra National Rehabilitation University, Lucknow will definitely be helpful in systematic organizing of Guest Lectres and various other academic activities.

We support your program wholeheartedly, and very keen on MoU

Best wishes & Kind regards

Ravi Kant

Lucknow

Sub: Request for Guest Lectures.

Letter No. 2085/F-716/DSMNRU/Spl.Edu./2014 -15, Lucknow

Dated: 3^{Jan} Dec. 2014

Sir,

Dr. Shakuntala Misra National Rehabilitation University, Lucknow established by Govt. of Uttar Pradesh in the year 2008, is highly innovative initiative that pro-actively brings together under one umbrella academic and social responsibility. First of its kind in India, the University not only offers accessible and world class higher education to all but also addresses the educational needs of the physically challenged in a seamless and sensitive academic environment. This University is spread over 131 acres of land in Lucknow – the State capital of Uttar Pradesh. The campus is equipped with wi-fi and has barrier-free infrastructural and educational environment, technology - friendly smart classrooms with modern audio-visual educational aids like computers, projectors, multimedia educational approach, well equipped computer labs with JAWS (job access with speech). The library in the University caters to the students with a rich collection of International and National books, journals, reports and reading material on a wide range of subjects. The University is well connected from bus terminals, railway station and airport.

The University encourages interdisciplinary and multidisciplinary approach for holistic academic development of faculty and students alike. The course curricula of various courses in the University are designed to meet the International standards of that are comparable with the best. The uniqueness of the University lies in imparting quality education based on International parameters and the paradigm of inclusive empowerment of differently abled people. The University firmly believes that knowledge and comprehensiveness are glorious attributes of a civilized society. Hence, the endeavour of the University is to educate and inculcate moral values in students for making them good individuals and good citizens.

There is an ongoing endeavour to expand University-Industry interface and upgrade in-house capabilities to conduct professional and job oriented courses that are compatible with the emerging trends of economy and employment markets.

Dr. Shakuntala Misra National Rehabilitation University, Lucknow

Government of Uttar Pradesh, India

With this view in the mind, there is a proposal for developing an Institute of Disability and Rehabilitation wherein manpower development programmes like Bachelors in the field of Prosthetic & Orthotic (BPO), Bachelor in Audio, Speech Language & Pathology (BASLP), Physiotherapy, Occupational Therapy etc. are to be introduced with an International level labs and service providing departments in the University.

As per the curriculum of BPO, there are some medical subjects which are included for teaching as follows:-

1. Anatomy
2. Physiology
3. Pathology
4. Physical Medicine and Rehabilitation
5. Orthopedics and Amputation Surgery
6. Kinesiology
7. Bio-Mechanics

We would be grateful if we could have the cooperation of the departments under your kind control amidst hectic schedules for arranging classes for covering the above subjects for the students of BPO of this University. The course is likely to be commenced from the academic session 2015-16. The faculty taking the classes will be paid remunerations as per the University norms.

I am enclosing a copy of the scheme of examination and course of reading of BPO 4½ years duration for your ready reference.

Expecting an early and favorable response. If needed we can have an MOU in this regard.

With regards,

Yours faithfully,

(Dr. Nishith Rai)
Vice-Chancellor
