

**KING GEORGE'S MEDICAL UNIVERSITY, UP, LUCKNOW-226003  
(Central Library)**

The University subscribes to various online resources. Presently, these resources include, ClinicalKey, ClinicalKey Student, UpToDate, BMJ Best Practice, Springer-Nature Journals and some perpetual contents, like books, etc.

Become an “Associate Member” of the library to avail the contents. This membership is open to only the alumni of King George’s Medical University, Lucknow.

**Terms and Conditions for Associate membership**

These Associate members will be entitled for:

- i. Avail online contents subscribed by the University and available through the portal: [elibrary.kgmu.org](http://elibrary.kgmu.org)
- ii. The limit for downloads will be applicable. A person can only download 25 articles/chapters per day.
- iii. The “Associate Member” will not be entitled to use the physical library (reading rooms, printed journals, printed books, and other printed material). The “Associate member” can only use the online library, [elibrary.kgmu.org](http://elibrary.kgmu.org)
- iv. An annual fee of INR five thousand only will be applicable for membership. This fee can be submitted online/offline in “**KGMU Library Account**” 20229909201.
- v. Most online platforms have an annual subscription. These are renewed on the basis of decision taken by the members of the Library Committee and the University administration. A subscribed platform may not be renewed based on usage criteria/availability of funds/other reasons. Therefore, the subscribed content can vary from time to time. The Associate member cannot hold the University liable for not providing a particular resource. Only the subscribed content will be available to the members.
