Sir / Madam,

This is to inform you that "Occupational Therapy Unit" has been opened in Room No. 207, Second Floor, New OPD Block. Any medical or paramedical staff with needle stick injuries or any other source of exposure, should contact Room No. 207 for help for further treatment. For emergency situations mobile numbers of Dr. D. Himanshu Reddy (9839266822) and Dr. Shailendra P. Verma (9936472124) are provided here so that health care workers can contact them for information and guidance. Kindly circulate this message to all the staff members in the department.

Thank You.

With Regards
