Corrigendum

This is in continuation to Advt. No. 02/20 dated 11.02.2020. Applications on plain paper are invited for following purely temporary post (likely to continue for three years) in the Science and Engineering Research Board (SERB), New Delhi, sponsored Research Project entitled "Elucidate the epigenetic pathways in type 2 diabetes and its associated nephropathy; a case control study " under Principal Investigator, Dr. Gyanendra Kumar Sonkar, Associate Professor, with modification in the eligibility criteria as per DST-SERB norms as given below. Appointment will be made initially for a period of one year, extendable on yearly basis depending upon the performance of the candidate. The selected candidate cannot claim for regular appointment as the post is co-terminus with the project (all positions will cease to exist once the project is completed).
