**Sub:** Research project entitled " Estimation of level of pesticide in recurrent pregnancy loss and its correlation with PON1 (Q192R) and (L55M) gene polymorphism and oxidative stress parameters in north India population "

Madam,

This is with reference to above mentioned research project submitted to the Council for financial assistance, I am happy to convey that this project has been sanctioned by the Council with financial support of Rs 7,28,000/- under the following heads for the period of 02 years.

Head	Ist Year	IInd Year	Total(Rs)
Senior Research Asstt-01 @ Rs 22,000/- p.m. for two years	2,64,000/-	2,64,000/-	5,28,000/-
Contingency	1,00,000/-	1,00,000/-	2,00,000/-
<b>Total:</b>	<b>3,64,000/-</b>	<b>3,64,000/-</b>	<b>7,28,000/-</b>

The necessary action may kindly be taken for the appointment of research staff sanctioned in the above project strictly following the guidelines given in the booklet "General Information and Guidelines for Award of Research Assistantship & Grant-in-aid Regulations-1988", a copy of which is enclosed herewith. The duration of the project will be counted from the date of commencement of the project i.e. the date of joining of the staff under the project. The recommendation of selection committee regarding the appointment of research staff approved with their academic details, age, relevant experience, publication (if applicable) alongwith the copy of advertisement made may be forwarded to the Council

for approval. The process regarding the appointment of research staff may please be initiated at the earliest and all formalities must be completed within three months period, so that the work proposed in the project may be started soon and the grant for 1<sup>st</sup> year of the project may be released by the Council.

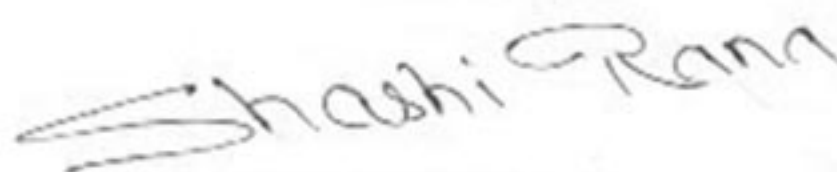

The Principal Investigator will have to ensure:-

- that the work carried out under the project is original & not duplication. If so found, CST, UP reserves the right to abandon the project immediately and in that case Principal Investigator will have to return any grant released in the project.
- that publication of the research results are to be made only after exploring the possibility of IPR/Patent protection.
- The patent, if any, shall be in the name of CST, UP.
- Publication must include the acknowledgement to CST, UP & two copies of each publication alongwith the impact factor are submitted to CST, UP for record.
- In view of extending societal benefit of the scientific/ R&D work, the P.I. should plan field visits by research staff associated with the project to nearby villages or schools/Colleges for disseminating the knowledge acquired.

Kindly acknowledge the receipt of this sanction letter and adhere to conditions mentioned above.

Yours faithfully,

Encl: As above.

( Dr. Shashi Rana )

Joint Director
