

International Conference of Forensic Odontology & Child Abuse In Association with IAOMP

24
CDE
points

31st July – 3rd August 2019

Pre-conference workshop on 31st July and 1st August, 2019

Organized by: Forensic Odontology Unit, Department of Oral Pathology & Microbiology, Faculty of Dental Sciences, King George's Medical University, Lucknow
Venue: Kalam Centre, King George's Medical University, Lucknow-226003

CHILD ABUSE & NEGLECT: GLOBAL SCENARIO

Important Dates

Registration

Opens- 15th May, 19
Early bird- 8th July, 19

Abstract Submission

Opens- 15th May, 19
Last date- 15th July, 19

Registration detail submission: ifo.reg.details@gmail.com

Abstract submission : ifo.abstract@gmail.com

Knowledge partners

- IAOMP (Indian Association of Oral & Maxillofacial Pathologists)
- AFOHR (Association Forensic Odontology for Human Rights)
- INPAFO (Indo-Pacific Academy of Forensic Odontology)
- National P.G College, Lucknow
- SPIC (Society for Prevention of Injuries & Corporal Punishment)

From the Organizing Chair

Dear Delegates,
It's a matter of great pride to welcome international/ national forensic odontologists and forensic medico legal experts. This conference will provide a great opportunity to academicians, professionals, judiciary, police, policy makers and students to learn from each other and work towards a common goal.

We cordially welcome you to Lucknow, the "City of Nawabs", the capital city of Uttar Pradesh and it has always been a multicultural city. It is situated at the junction of numerous roads and rail lines, and Chaudhary Charan Singh International Airport is located about 6 miles (10 km) southwest of the central city. Courtly manners, beautiful gardens, poetry, music, and fine cuisine patronized by the Persian-loving Shia Nawabs of the city are well known amongst Indians and students of South Asian culture and history.

The International Conference of Forensic Odontology & Child Abuse (2019) will focus on the latest trends and updates in the field of Forensic Odontology and will spread awareness regarding topics of social usage such as child abuse. This event will bring together participants from a wide range of disciplines, to meet, learn of the latest advances and trends in the field of forensic odontology, and exchange ideas.

This conference will cover the multiple approaches of forensic odontology and will not only spread awareness regarding few topics of social usage such as child abuse but also help to establish medico-legal significance of a dentist.

It will also provide a platform to meet Indian export/scientist with them and start dialogue and initiate future collaborations. Through the workshops on different themes related to forensic odontology, child abuse, bite mark, DVI & 3D Scanning and Printing, poster session, oral power point presentation we hope to assist you in forensic odontology and child abuse issues and aim to advocate awareness regarding the complexities of current forensic medical Practice. There are 4 sessions for lectures and 5 pre-conference workshops that will give participant hands on experience. The interaction of the Indian scientists /exports with reputed International peers will pave way for future collaborations and strengthening of scientific ties between them and their countries.

The outcome of this conference will be fruitful for the people of various fraternities. This Conference can pile up participants from a good vary of disciplines, to meet, learn of the most recent advances and trends within the field of forensic odontology and exchange ideas..

Who Should Attend:

- Faculty & Dental UG/ PG Students,
- Faculty & students of Forensic Science, Forensic Odontologists
- Forensic Anthropologists, Forensic Experts, Paediatrician, Psychologists, Law enforcement Officers, Medico-legal experts, Police Officers.

On behalf of the entire organizing committee we assure you that every effort shall be made to see that your visit is comfortable, memorable, productive and meaningful.

DR. BELAYET HOSSAIN KHAN, Bangladesh

Pre- Conference Workshops

Workshop 1- DVI procedures and INTERPOL Guide with Hands-On
Conducted by:

Dr. Evi Untoro, **Dr. Emilio Nuzzolese**, **Prof. Adarsh Kumar**, **Dr. Ranjeet Singh**
SMCH&FG, Indonesia Turin University, Italy AIIMS, New Delhi CEO, SIFS, India
Workshop: DVI procedures and INTERPOL Guide with Hands-On (AM-PM Data Collection, Human Remains Embalming). Lucknow, INDIA.

1. Fingerprinting/Forensic Ridgeology | Dr. Ranjeet Singh (India)
2. Forensic Pathology and Embalming Methods | Dr. Evi Untoro (Indonesia)
3. Forensic Anthropology | Prof. Adarsh Kumar (India)
4. Forensic Odontology and Dental Autopsy | Prof. Emilio Nuzzolese (Italy, University of Turin)

Course Fee: 4000/-

Time: Thursday, 1st August 2019, 08.00 am - 05.00 pm

Pre- Conference Workshops

Workshop 2- Pixel- Scopic Analysis: Workshop on Morphometric Analysis in Research

Conducted by:

Dr. Amol Gadbail

Asst. Prof., Dept of Dental Surgery
IGMC&H, Nagpur

Dr. Satyajit Tekade

HOD, Dept of Oral & Maxiofacial Pathology
MDC&RC Indore

Apoorva Singh

PhD scholar Bioengineering
University of Pennsylvania

1. Dr. Amol Gadbail: Introductory lecture of Morphometric Analysis- 30 minutes
2. Tumor texture analysis of pre-treatment PET scans- 20 minutes
3. phometric Analysis: - 30 minutes
4. Dr. Satyajit Tekade and Dr. Amol Gadbail:- Hands on workshop on Morphometric Analysis: - 3.00 hrs
5. Dr. Amol Gadbail:- Tips for writing efficient and quality scientific papers: - 45 minutes

Topic Covered

a) Oral and General Pathology

1. Cytomorphometry
2. Histomorphometry
3. Specialized microscopic image analysis
4. Immunohistochemistry
5. PET scans

b) Forensic Odontology

1. Radiographic measurements for age estimation in different stages of dentition.
2. Bitemark analysis
3. Cheiloscopy

c) Periodontics / Oral Surgery

1. Evaluation osseo-integration in implants
2. To measure percentage of conversion of bone graft material in to bone

d) Endodontics

1. Shrinkage of restorative material
2. To measure efficacy of root canal sealer

e) Orthodontics

1. Cephalometric analysis

f) Prosthodontics

1. Adaptation
2. Casting distortion of materials
3. Shrinkage materials

Course Fee-2000/-

Day: Thursday, 1st August 2019

Workshop 3- Child Protection Workshop for Health Professionals.

Conducted by:

Dr. Hani Jahshan

M.B.B.S.

Senior Forensic Pathologist

Forensic Physician,

Bahrain Defense Forces, Bahrain.

Course Fee-2000/-

Day: Thursday, 1st August 2019

Workshop 4- Bite Marks & Lip Marks in Child Abuse

Conducted by:

Dr. Amer Alsarakibi

Forensic odontologist, Syria

Dr. Ibrahim Eid

Forensic odontologist, Egypt

Bite mark analysis plays an important role in personal identification in forensic odontology. They are commonly seen in violent crimes

Course Fee- 2000/-

Venue: Saraswati Dental College

Day: Wednesday, 31st July 2019

Workshop 5- 3D Scanning and Printing

Conducted by:

Dr. Suresh Ladhvani

Asst. Prof., Dept. of Oral Medicine and Radiology

Karnavati Dental College, Gandhinagar, Gujrat, India

THE NEXT GENERATION OF CRIME INVESTIGATING TOOLS AND CHALLENGES: 3D SCANNING AND PRINTING

3D scanning and 3D printing are the future of forensics

Course Fee- 1000/-

Day: Thursday, 1st August 2019

Seats in each Workshop: limited seats 40

Details of Pre-Conference Workshop can be downloaded from:
