Lucknow-226003**

**Advertisement (01/19)**

Applications on plain paper are invited for following purely temporary post (likely to continue for three years) in the Science and Engineering Research Board (SERB) DST, New Delhi, sponsored Research Project entitled "Evaluate the neuroprotective effects of genistein on scopolamine induced amnesic mice and underlying molecular mechanism" under Principal Investigator, Dr. Shivani Pandey, Associate Professor. Appointment will be made initially for the period of one year, extendable on yearly basis depending upon the performance of the candidate. The selected candidate cannot claim for regular appointment as the post is co-terminus with the project (all positions will cease to exist once the project is completed).

S. No.	Position	Stipend	Qualification and experience
1.	Research Associate II (One)	Rs.38,000/- per month+ 20% H.R.A	Ph.D. (Biotechnology/ Biochemistry/Life Sciences) and Preference will be given to the candidate, with at least one year post Ph.D. experience in the field of Neurobiology and Molecular biology

Applications along with attested copies of degrees, mark-sheets, experience certificate and testimonials shall be submitted in the office of the undersigned till 4 p.m. on 25<sup>th</sup> January, 2019. Interviews will be held on 28/01/2019 at 12.30 p.m. in the Department of Biochemistry, King George's Medical University, Lucknow-226003. Candidates are directed to report for interview with all relevant documents in original. No separate call letters shall be issued and no T.A/ D.A. shall be paid for attending the interview.
