King George's Medical University, UP
Lucknow

Sir/Madam

Innovation, patents and research are three key elements to future progress of our University. Innovation patents and research are crucial for becoming Institute of National Importance.

I have been directed by the Hon'ble Vice Chancellor to invite any productive innovation or innovative idea from faculty, residents, students, staff or any one working in this University. Innovation should be helpful in providing affordable patient care, extraordinary method of teaching or providing ways for easy University administration.

Innovation or innovative idea need to be prepared and to be submitted to the Office of Research Cell by 31st March 2018.

You are requested to circulate this information among the faculty, residents, students and staff of your department.

Thanking you,

Yours Sincerely,

(R. K. Garg)

Faculty In-charge
