In one such efforts a hands-on workshop regarding the use of LinkedIn was conducted in the Kalam Center, KGMU, by Mrs Surabhi Srivasatva, founder of Meraki Brand Solutions, and LinkedIn Connect Community. The aim of the workshop was to give an initial hand-on training to the medical professionals as to how they can use this social media tool to increase their visibility, impact and get connected with their peers globally. Getting in touch with the professionals around world with similar interests can enhance your opportunity in several domains including research. Participants learned to create an impressive profile and were guided by the expert team to open and use basic features of this professional networking platforms. E- Certificates were distributed to all participants at the end of the workshop.
