Sub : Minutes of Meeting regarding Management of Vascular Surgeries held on 03/02/2022 (Thursday) at 11:00 AM in the Board room , Admin block in the August Presence of Honourable Respected Vice Chancellor Sir.

Following were present :

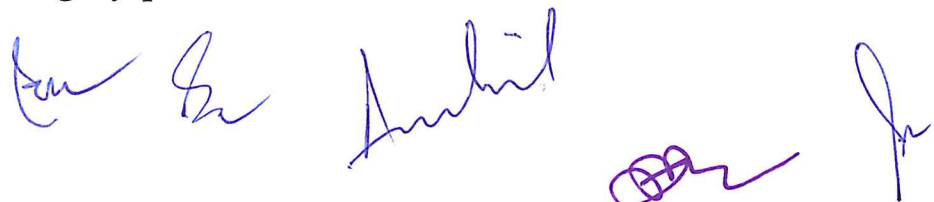

1. Prof. Vineet Sharma , HOD , Orthopaedic Surgery
2. Prof. A.A. Sonkar , HOD , Surgery (General)
3. Prof. S.K. Singh . HOD , CTVS
4. Prof. Sandeep Tiwari , HOD , Trauma Surgery
5. Prof. Shailendra Kumar , HOD , Thoracic Surgery
6. Dr. Ambrish Kumar , HOD , Vascular Surgery

Honourable VC Sir has proposed that for proper functioning of Vascular Surgery Dept. & patient care there is requirement of Specified IPD beds / Specified days for Elective OTs / OPD at Heart Surgery Centr

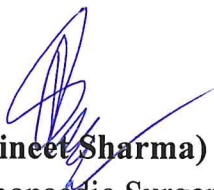

At present there is no need of beds at Trauma Centre for Vascular surgery as these patients requiring emergency care are being admitted under Trauma / Orthopaedic Surgery Dept.

Following Decisions were agreed upon :

1. HOD CTVS will provide **08 Specified in Patient Beds** (Two cubicles of 04 beds each) at CTVS Ward to Vascular Surgery Department on temporary basis (till forth floor of Vascular Surgery Department is ready). CTVS manpower will look after Vascular Surgery patients also.

2. Once HOD CTVS provides specified IPD beds to Vascular Surgery Dept . same will be updated by the IT Dept in the hospital server and admission rights will be given to the Vascular Surgery Dept Faculties so that vascular surgery patients can be admitted from OPDs/ Emergency to the specified ward designated for Vascular surgery dept.
3. The list of the patients for elective OTs for Vascular Surgeries will be provided by HOD, Department of Vascular Surgery to HOD CTVS. HOD CTVs will accommodate the above surgeries with departmental surgeries.
4. HOD CTVS has not agreed upon giving space for day OPD for vascular surgery at Heart surgery centre. He suggested for the continuation of OPD for Vascular Surgery in Room no. 401 as it is being already operated.
