Welcome to KGMU

We are shaping futures.

The foundation stone of this grand medical institution was laid by the Royal Highness, the Prince of Wales, in 1906, during his second visit to India for his Coronation Durbar as King Emperor. His Majesty gave his consent to establish the institution and to designate it by his name. Since then, the institution has been dedicated to excellent medical education, unparalleled medical ethics, groundbreaking research, and exceptional patient care.

SWOC analysis

STRENGTHS

- Ability to manage within limited resources
- Total number of employees to execute IT operations
- Multi-tasker employees
- Horizontal/vertically integrated in all processes of the University

WEAKNESSES

- Lack of technical leads/administrators
- Lack of high order skilled technical staff on permanent posts
- Lack of annual budget allocation for IT assets
- Lack of IT workshop with skilled personnel

Richa Khanna
Dr. Richa Khanna
(Member Secretary)
IT Cell

OPPORTUNITIES

- Collaboration with more technical institutes/universities
- Training perspectives
- Developing self sustaining applications for automation at KGMU
- Embracing advanced technologies especially AI

CHALLENGES

- HR management
- Large enterprise level network
- Large user base at KGMU
- Creating self-sustaining processes
- Small office space
- Financial processes management
