(Erstwhile KGMU, CSMMU)

Georgian alumni association contribution statement

Financial contribution:

Forty one lakhs forty four thousands four hundred fifty eight rupees were contributed under various heads: 1343 new members have joined alumni association, it added Rs 24,65,640 as a contribution. Rs 6,76,217 were generated from Old Boys Association Guest House, which has been transferred to university's income fund. Ghaziabad Alumni Association donated Rs 5 lakhs as scholarship, providing Rs 30,000 annually to a economic weaker student. A contribution of Rs 4,53,001 supported construction of **Maa Shardalya** initiated by Alumni Cell.

Academic Contribution:

Thousands of Georgians were benefitted from alumni-led CMEs, lectures, seminars, discussions and workshops. International Georgian Alumni Meet (IGAM 2023) was held in year 2023. A total of 132 scientific activities were organized from 2019-2024. Apart from this 147 books were donated by alumni to KGMU's central library.

Student Support:

46 students were supported as part of student exchange and placement by our alumni.

COVID-19 Support:

Prof Balram Bhargava, an alumnus, played a key role in COVID-19 vaccine development. Association also provided accommodation for microbiology technicians during the pandemic.

Networking and Social Engagement:

Annual alumni meet were organized regularly, in 2023, IGAM 2023 was by our alumnus **Prof (Dr) Manik Saha, Hon'ble Chief Minister of Tripura** as chief guest. Guest of honor of event was our another alumnus, **Dr Arun Kumar Saxena Minister of Environment, Forest & Climate Change Government of Uttar Pradesh**. Alumni from countries like the USA, UK, Canada, and Australia contribute knowledge and mentorship. Recently alumni website was launched in annual meeting of year 2014, Georgian Alumni Academic Summit-2024.
