**KING GEORGE'S MEDICAL UNIVERSITY U.P., LUCKNOW**

**UNIVERSITY ENVIRONMENT DEPARTMENT**

Email: ueckgmur@gmail.com

Letter No:- UGD/303/24

Dated:- 05/04/24

**The Hon'ble Vice Chancellor  
KGMU, Lucknow**

Respected Madam,

This is to intimate that I met Director UPNEDA on 04/06/2024 and was assured that soon a team will visit KGMU to conduct a survey for installation of a new biogas plant. The installation of a new biogas plant would utilize our substantial organic waste generated throughout the campus and would go a long way in reducing carbon footprint. He assured that as per rules it would be subsidized by the government. Further progress will be intimated to your august office once the process gets underway.

Thanking You,

Sincerely Your's

Dated:- 05/09/24

The Hon'ble Vice Chancellor  
KGMU, Lucknow

Respected Madam,

This is to inform you that today (04/09/2024) a team came to inspect the solar parabolas installed at the rooftop of Shatabdi Phase 2. The steam thus produced is utilized to prepare food for distribution to patients. The issue of their maintenance was pending since long. The team informed that the problems will be rectified soon and they will give us a solution to utilize the excess steam being thus generated and also develop a SOP for their maintenance

Thanking You,

Sincerely Your's

*(Prof. Kirti Srivastava)*

Subject: Work Order for Environment Audit, Green Audit, and Energy Audit of King George's Medical University, Lucknow

Dear Sir,

With reference to your proposal dated 26-03-2025 and subsequent discussions, we are pleased to issue this work order for conducting the Environment Audit, Green Audit, and Energy Audit of King George's Medical University, Lucknow.

The terms of the work order are as follows:

1. **Scope of Work:** As per the proposal submitted by M/s CDG Inspection Ltd., including Environment Audit, Green Audit, and Energy Audit of the entire university premises.
2. **Total Contract Value:** Rs. 1,38,000/- (Rupees One Lakh Thirty-Eight Thousand Only) plus applicable GST.
3. **Payment Terms:** Payment will be made as per mutually agreed terms and upon successful completion of the audit and submission of the final audit report.
4. **Time Frame:** The audit shall be completed **within two weeks** from the date of issuance of this work order.
5. **Deliverables:** Comprehensive audit reports covering all aspects mentioned in the proposal.
6. **Compliance:** The audit shall be conducted in compliance with applicable regulations and standards.

Kindly acknowledge your acceptance of the work order latest by 31-03-2025. We look forward to your cooperation and successful completion of the audit.

Yours sincerely,

(Prof. Rajiv Garg)  
Dean, Quality & Planning

## Program Agreement

For  
Student Exchange  
Between

Texas Tech University Health Sciences Center  
And  
King George Medical University, Lucknow

This Program Agreement ("Agreement") is entered into by and between Texas Tech University Health Sciences Center (TTUHSC) and King George Medical University (KGMU), formerly known as Chhatrapati Shahuji Maharaj Medical College. The purpose of this Agreement is to establish, promote, and guide the exchange of students based upon agreement 12561-0 previously executed by and between the two institutions and in accordance with terms and conditions set forth in this Agreement.

### Article 1: Definitions

- 1.1 "Home Institution" refers to the institution where a student is a registered student, and from where he/she is expected to graduate.
- 1.2 "Host Institution" refers to an institution that has agreed to receive participating students from the Home Institution for a brief period of time to participate in a pre-determined educational or research program.

### Article 2: Student Exchanges

- 2.1 International Program Worksheet or Faculty-led International Program Proposal Form. Prior to the occurrence of a student exchange between TTUHSC and KGMU, each student exchange program occurring between the two institutions under this Agreement will need a corresponding International Program Worksheet to be completed by the student requesting the exchange with acknowledgement as designated in the worksheet. For faculty-led programs, a Faculty-led International Program Proposal Form must be completed by the faculty leader and approved by TTUHSC. The template for the worksheet for TTUHSC students traveling to KGMU is attached as Exhibit A. The template for the worksheet for KGMU students traveling to TTUHSC is attached as Exhibit B. Each completed worksheet will be provided to the Home and Host institutions to set forth the parameters for each student exchange between the two institutions. For faculty-led programs, the Faculty-led International Program Proposal Form must be obtained from the TTUHSC Office of Global Health (OGH) and routed for appropriate approvals as directed on the routing sheet.
- 2.2 Student Exchange Guidelines. In addition to the specific information to be provided in the International Program Worksheet or Faculty-led International Program Proposal Form, TTUHSC and KGMU agree that student exchanges occurring during the term of this agreement will be as per the guidelines listed below.

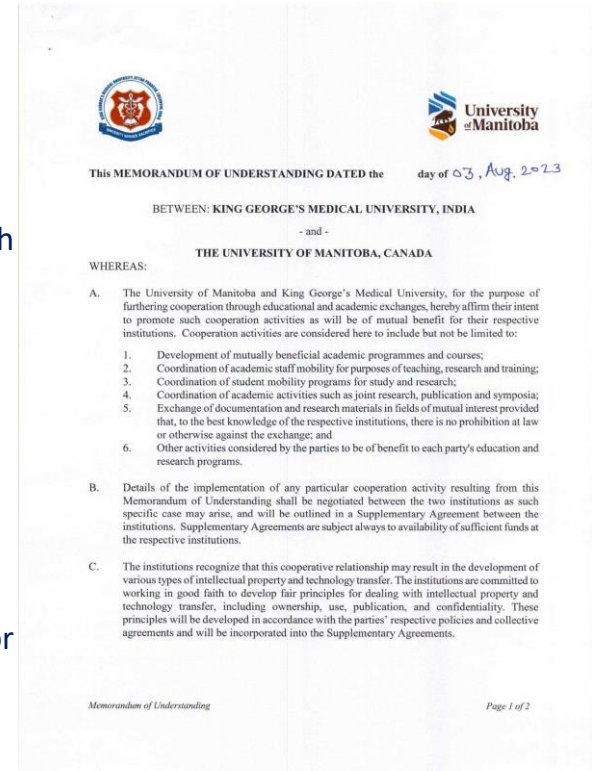

# Faculty Exchange – University of Manitoba

## From KGMU to University of Manitoba

- **2024** Prof Soniya Nityanand and Prof H S Malhotra
- 2023 Prof Bipin Puri, Prof Shally Awasthi and Dr D Himanshu

**Subject: Completion of Scanning and Digitization of Medical/Office Records at KGMU Lucknow**

Respected Sir/Mam,

This is to apprise you the latest update and status of the Digitization project **Scanning and Digitization of Medical/Office Records and Document Management System at KGMU Lucknow.**

We have installed Document Management System successfully at the Server provided by KGMU IT Cell and all the information like URL link, Login Credentials etc. are already shared to the concerned member of KGMU.

Digitized data as provided and verified by the concerned department is already uploaded onto Document Management System, Please find below the URL for DMS installed at KGMU Server as,

[172.16.25.144:8096/gendms/](http://172.16.25.144:8096/gendms/)

Users are also created as per the list shared by you and credentials shared to the concerned member of KGMU.

As per PO terms and conditions, we have completed the SOW.

We have done huge investments on this project and done the work as per the expectation and terms and condition however we are still struggling to get our payment.

We request you to release our payment immediately.

With Warm Regards

For JIL Information Technology Limited

To,  
The Registrar,  
KGMU, Lucknow

Subject: Request for relaying of proposal for Building of "Skill Development Centre for Employees & their dependents" at Type 5 Faculty Residence Grounds, Jagat Narain road through CSR grant from Hindustan Aeronautics Ltd. (HAL), Lucknow to General Manager, HAL, Lucknow.

Dear Madam,

There has been a long felt need for a facility on our campus wherein skill training can be imparted to relatives of employees working at KGMU, especially those employed through outsourcing with monthly income below Rs 15,000, in order to make them skilled and self-reliant and also help in contributing to their family income. At the Type V Faculty Residence, many Professors and other Faculty members live who are highly educated, trained to teach and impart skill and are motivated to serve the under-privileged of the society. By a rough estimate, there are around 5000 outsourced employees who work in KGMU at less than Rs 500/day salary. We, the residents of the faculty campus strongly feel that we can contribute to upskill them and their children in our spare time, provided we have some infrastructure.

As per our discussion with representatives of Hindustan Aeronautics Ltd. (HAL), Lucknow, we found them inclined towards contributing to construction of a Skill Development Centre through their CSR funds which serves the underprivileged of the society. We feel that an inhouse Skill Development Centre for Employees & their dependents at Type 5 Faculty Residence Grounds will enable the unskilled outsourced employees/dependents to be skilled and learn new vocational skills and thus help them in being self-reliant. Faculty living on campus can also contribute by teaching the children of these employees in various science subjects in their spare time.

This is to request you for relaying of the above-mentioned proposal for "Skill Development Centre for Employees & their dependents" at Type 5 Faculty Residence Grounds, Jagat Narain road through CSR grant formally to General Manager, HAL, and Lucknow for further action.

Yours sincerely
