

Annual Report: Examination Cell

This year, the COE office successfully conducted examinations for various university programs, with a total of 4,414 candidates appearing in the 2024-25 academic year. To facilitate these examinations, 854 sets of question papers were meticulously prepared. The pass rates for the programs ranged from 37% to 100%, and the average time for result declaration was an impressive 12.93 days. Additionally, the total number of grievances i.e (Complains about evaluation 47) out of total number of students appeared in various programs (2633) for which the percentage of examination-related grievances was 0.017%.

The Office of Controller of Examination has successfully implemented and managed various critical examinations and initiatives aimed at improving the academic and administrative efficiency of our institution. The key activities over the past year are as follows-

DIGITALIZATION INITIATIVES

We have started conducting the online examination process on Samarth portal for which the forms are filled by the students, the eligibility process is done by respective Dean, the Head of the Department of concerning subjects are requested to fill online Internal assessment & Practical marks of students. Evaluation process of result which includes result making & declaration process is done online on Samarth portal.

Thesis Submission and Evaluation

We have fully digitalized the process of thesis submission and evaluation. This initiative has streamlined the workflow, making it easier for students to submit their work and for evaluators to review and provide feedback.

EXAMINATION PROCESS ENHANCEMENTS

Blueprinting of Question Papers in Medical Stream

We have introduced a standardized blueprinting process for question papers in the medical stream. This ensures that the examination papers are comprehensive, balanced, and align with the learning objectives and curriculum.

Feedback-Based Changes in Examination Conduction

Based on the feedback from invigilators and examiners from time to time, we have improvised the pattern of question paper and its conduct to maintain the integrity of the examination process.

The Examination Cell has made significant strides in enhancing the examination process through digitalization, standardized practices, and feedback-driven improvements. Our successful management of various critical examinations and commitment to maintaining high standards of academic and administrative excellence.
