

CIRCULAR

It has been observed that the faculty members of the University leave for the overseas without taking permission to leave the country from the University Administration. Taking NOC for Visa is not the permission to leave the country.

In view of above, the faculty members who are intending to attend overseas conferences are required to submit statement for permission to leave the country at the same time as they apply for leave to attend the overseas conference. Faculty members who are intending to visit abroad for personal reasons are also required to take permission to leave the country separately.

The Registrar, KGMU will ensure the compliance of the above.
